

Recommendation for the District Wide Stipend

2014-2015

Waskom ISD has 147 employees that will be eligible for the District Wide Stipend.

I am providing you with information concerning my recommendation for the District Wide Stipend.

Employees	Stipend	Cost to WISD
147	\$300.00	\$44,100.00
147	\$400.00	\$58,800.00
147	\$500.00	\$73,500.00

The District M&O Budget has enough funding in the payroll fund to support any of the three amounts recommended in the information above.

*I recommend a District Wide Stipend in the amount of \$500.00/employee.

*"I move to approve a District Wide Stipend in the amount of \$500.00/employee."

This motion requires a second and a majority vote.
