PRESENTATION

BACKGROUND INFORMATION

In accordance with Board Policy BDF (LOCAL), the School Health Advisory Council (SHAC) Bylaws must be brought annually to the Board for review and possible revision. Moreover, the currently adopted SHAC Bylaws, Article I, Section Three state, *"It shall be the responsibility of the Board of Trustees, upon the advice and counsel of the SHAC, to establish and amend Bylaws. Bylaws must be consistent with state law and Board policies governing the SHAC. Any recommended changes to the SHAC Bylaws must be voted on by the full SHAC membership prior to being recommended to the Board of Trustees for adoption."*

Members proposed revisions through their Standing Committees or directly to the Executive Committee. These suggestions were deliberated in Standing Committees and during the April 16, 2025, SHAC Meeting before being compiled by the SHAC Executive Committee into a single document. This document was presented to the full SHAC at a duly called meeting on May 21, 2025, and approved (22-0).
