

# Development of Board Goals Celina Independent School District

## Areas for Consideration

Teaching and Learning: Instruction, Curriculum and Student Achievement

Finance: Stewardship of District Resources and Funding

Facilities: Construction, Maintenance, Replacement and Planning

Communication: Public and Community Relations, Engagement and Involvement

Human Resources: Faculty, Staff, Wellness, Training And Recognition

Governance: Board and Superintendent Relations, Ethics and Values

Consider your most compelling Goal for each area listed above. Write the goal down with suggestions for how that goal would be measured or evaluated for success. Prepare to share the goal with other Board members on June 21 in the study session. Also, be prepared to seek consensus around one goal in each area that the Board will support for 2010-2011.
