

Site Report – School Site –February 2018

To: Superintendent Ty Mase and LPSD School Board Members	From: Nancy Mills, Head Teacher
Outstanding Activities and Events	
Chignik Lagoon Students had an amazing school trip to Anchorage! We hope you enjoy the board report video made by Lagoon students!	
Personnel	
Staff are doing well.	
Standards Based System/Curriculum Progress	
Teachers at the Lagoon are cramming as much information into our kids' brains as possible before state and district end-of-level testing. The students are busy and happy!	
Technology Progress	
Loving PowerSchool! Ivisions is still challenging.	
Facility Update	
So far no leaks!	
LSAC Activity	
There was no LSAC meeting in February. The members felt that we had covered everything so well in previous months for graduation and school trip that there was nothing left to put on the agenda. March's LSAC agenda is already being developed and there's tons to discuss with the end of the year quickly approaching.	
Volunteer Report	
None to report.	
Professional Development	
Professional Development has been interesting and helpful in learning new programs thus far.	
Pupil Attendance	
Attendance is strong!	
Student and Staff Safety	
Our boardwalk can get pretty treacherous, but we are diligent with the rock salt. We might consider painting it with a sand mixture during warmer months.	
Subsistence Calendar	
Loving it! Looking forward to another year!
