January 26, 2009

Subject:

Course Proposal for 2009-2010

Presenter:

Pam Miller

SUGGESTED SCHOOL BOARD ACTION:

Recommend board approval of the following course proposal for Buffalo High School:

Arts Magnet Senior Capstone and Mentorship

DESCRIPTION:

At the January 12, 2009 board workshop, the course proposal process was reviewed, as well as the proposed course proposal of *Arts Magnet Senior Capstone and Mentorship* for the 2009-2010 school year.

The proposed course has met the criteria of the course proposal process: gaining recommendations from the department chair, the building principal, the Building Teaching & Learning Council, the Secondary Teaching & Learning Council, and the District/Community Teaching & Learning Council.

NEXT STEPS:

Once approved, this course will be indicated in the BHS registration book. After BHS students register for their 2009-2010 course requests, Mark Mischke and his staff will determine if the new course has sufficient student registration and adequate resources to offer the course for next year within the building budget.

Each course approved for implementation in 2009-2010 will be allotted up to twenty hours of further curriculum writing development if needed. These hours are under the direction of the Department of Teaching and Learning, and will be completed during the summer months.
