To whom it may concern,

I am writing to inform you of my decision to resign from my position as a Teacher's Assistant at Browning Elementary, effective at the conclusion of the current academic year (June 4th). This letter serves as my formal notice, allowing ample time for a smooth transition that will not disrupt the learning environment of our 2nd and 3rd graders.

The months I have spent assisting in the classroom have been incredibly fulfilling. Witnessing the daily wonders of learning through the eyes of our students has been a privilege, and the bonds formed with both the children and staff are deeply meaningful to me. The decision to leave is bittersweet, as I have loved every moment of my job and will sincerely miss the day-to-day interactions with the school community.

My reason for resignation is a personal commitment to further my education. I have decided to return to college to pursue my studies, which I believe is a necessary step for my future career aspirations. I am dedicated to maintaining my responsibilities and the high standard of support I provide until the last day of the school year, ensuring that the students' educational journey continues seamlessly.

I would like to express my heartfelt gratitude for the opportunity to work in such a supportive and dynamic environment. I am hopeful that my time spent at Browning Elementary has made a positive impact, just as it has on my own personal and professional growth.

Thank you once again for the opportunity to be a part of this wonderful school. I look forward to staying connected and watching the continued success of Browning Public Schools.

Warm regards,

Paris Vaile
