**TAG :** Throughout the month of November T.A.G worked on our Morton Freshman Center Food Drive. Students created fliers, spread the word and organized the donation boxes. Through their efforts we were able to assist 54 Morton Freshman Center Families.

**Student Council:** Promoted positivity this month, students created positive messages and placed them on student lockers throughout the building.

**Literacy Club:** Upcycled Outdated books by turning them into turkeys to decorate the library space. In December we're watching *The Outsiders*. As a group, read the book first and we'll be discussing the differences between the book and the movie.
