

# Terrell Independent School District

## Executive Summary Report

Date	District Guiding Pillar	
June 15, 2026	<p><b>Goal 1:</b> Student Achievement: Accelerate student learning to dramatically increase the number of students who perform on or above grade level.</p> <p><b>Goal 3:</b> Human Capital and Resources: Develop the capacity of every teacher and staff member to deliver rigorous, enriching learning experiences to every student and ensure safety of all.</p>	
<b>Agenda Item:</b> Consider Approval of TNTP Educational Consulting Services		
<p><b>Summary:</b></p> <p>Partnering with TNTP services directly aligns with our priority to dramatically increase the number of students who perform on or above grade level. To execute this effectively, our collaboration will focus on the following core implementation strategies:</p> <ul style="list-style-type: none"> <li>● <b>Targeted Professional Development:</b> TNTP will design and facilitate high-impact professional learning sessions specifically tailored for both classroom teachers and campus administrators to elevate instruction across the district.</li> <li>● <b>Instructional Walkthroughs &amp; Feedback:</b> Consultants will conduct regular classroom walkthroughs alongside leadership teams, providing actionable, real-time feedback to ensure high-quality teaching practices are established and maintained.</li> <li>● <b>Student Work Analysis:</b> TNTP will assist campus teams in analyzing authentic student work artifacts, establishing clear, data-driven next steps to support academic strategies grounded in learning acceleration.</li> <li>● <b>Dual Language Support:</b> Ongoing coaching will be provided to model and demonstrate what high-quality, accelerated teaching looks like specifically within dual language classrooms</li> </ul>
