We have completed the schedules for the upcoming year. Mrs. Stone deserves a lot of credit as she does a great job in getting that done every year. Mrs. Cantu also helps tremendously with entering data for scheduling into RSCCC. We have had teachers working very hard this summer with the students taking the TAKS this summer. Mrs. Kunz, Mrs. Swilley, Mrs. Bruce, and Mrs. Schroeder have all worked hard to prepare our students for the assessments.

I and all the members of the high school and junior high appreciate the time, effort, and wisdom that school board members give on our behalf. We recognize that without the great leadership from the school board and Mrs. Renken our direction of continued and greater success would not be possible. Thank you very much.
