# HAPPY ST. PATRICK'S DAY

"Be yourself, because  
the people who mind  
don't matter. And the  
people that matter,  
don't mind."  
- Dr. Seuss

# Facts of the Day

Dear Williams Community,

The Facts of the Day have become a routine part of our school days. They can be seen in every classroom, and the students appear to be more fluent in them. Below are the Facts of the Day for March. Please quiz your child(ren) on them. Place this calendar in a prominent place. Remember: the addition facts are especially for all grades, while the multiplication facts are intended for grades 3-5. We appreciate all of your support.

Jim Kriz, Title I Coordinator/Math Coach

**KEEP UP THE GOOD WORK!!!!**

We would like to thank you for your part in getting your child to school each day!

## WINTER SESSION

### AFTERSCHOOL PROGRAM

The winter afterschool session has been underway for the past four weeks of February. Students have been spending time completing homework, cooking, beading, learning new board games, reading and taking AR test, and exercising in the gym. The afterschool program is designed for students to have an extension of their day to build homework and study skills and to have a fun time for activities as well. If your student is not a part of the afterschool program and is interested in joining please contact Mindi in the office at any time. There is still room available in some classes. The Spring session will begin in April and continue throughout May. Sign ups for the Spring session will begin late in March. Some of the classes available in the Spring will be cooking, arts and crafts, gardening, and music. Please sign up your students as soon as possible as classes fill up fast.

## LIBRARY FUND RAISERS

Thank you friends, family and community members who have continued to send in Cambell's Soup Labels and Box Tops for Education. These wonderful fund raisers bring in extra dollars to spend on library books and supplies for our school. Recently Mrs. Bingham's class was able to purchase team vest for her P.E. class. Please continue to turn in your labels and box tops to Mindi in the Office or to Thelma Goodnough in the Library. Thank you to our wonderful volunteer Patricia Alexander for helping to sort and bag the labels and box tops. If you would like to find out more information about the participating products please visit these websites: [www.labelsforeducation.com](http://www.labelsforeducation.com) and [www.boxtops4education.com](http://www.boxtops4education.com)

**\*\*Right now Cambell's Labels that are turned in before May 12th are worth double the value.**

### Williams Elementary School Vision Statement

Williams Elementary School is committed to creating a nurturing environment in which each child is encouraged to become a life long learner
