DESCRIPTION:

Six Buffalo FFA students, will attend the 2024 National FFA Convention in Indianapolis from October 22-26, 2024. The 97th National FFA Convention is filled with many educational opportunities for our members and advisors. Attendance at this convention is highly recommended by the Minnesota Department of Education.

While at the convention, our members will have the opportunity to meet with other FFA members from across the United States, attend the career show with hundreds of representatives from colleges, universities and businesses from all facets of the agriculture industry and will be able to hear from some of the best motivational speakers in the country.

Of note, the FFA Market Plan Team of Kayla Heinz, Melia Fisher and Lizzy Vance will compete at the national level this year. Also, Miriana Eiden, BHS FFA Alum is running for national FFA office.

This is a wonderful opportunity for our Buffalo FFA members. The skills and knowledge gained at this event will have a positive impact on all of us.
