

DRAINAGE EASEMENT AGREEMENT

This Drainage Easement Agreement (this “Agreement”) is entered into Collin County Community College District (“Grantor”), and Celina Development North, LLC, a Texas limited liability company (“Grantee”), effective as of _____, 2016. Grantor and Grantee are sometimes individually referred to herein as a “party” and collectively as the “parties”.

Certain capitalized words and phrases used in this Agreement and not otherwise defined herein shall have the meaning(s) set forth below:

- “Easement Tract” means and refers to the portion of the Grantor Property described in the attached Exhibit “C”.
- “Grantor Owner” means and refers to the then current Owner of the Grantor Property.
- “Grantor Property” means and refers to certain land currently owned by Grantor, described in the attached Exhibit “A”.
- “Grantee Owner” means and refers to the then current Owner of the Grantee Property.
- “Grantee Property” means and refers to certain land currently owned by Grantee, described in the attached Exhibit “B”.
- “Owner” means, as applicable, the then current owner of a Parcel.
- “Parcel” means, as applicable, the Grantee Property or the Grantor Property.

1. Grantor hereby grants to Grantee and its successors and assigns a perpetual easement to enter onto the Easement Tract to construct, operate, install, maintain, repair and replace stormwater drainage pipes, channels, earthen swales, lines, and related infrastructure in, on, under and across the Easement Tract designed with a size and depth sufficient to accept, accommodate, discharge and convey stormwater drainage from the Grantee Property (the “Drainage Facilities”).

2. The Grantor Owner shall not take, and shall not permit its tenants or occupants to take, any action that would cause the Drainage Facilities to not serve the purpose of allowing surface storm water drainage from the Grantee Property to flow across or under the Easement Tract.

3. Except to the extent maintained by the City of Celina, a homeowner’s association created for the benefit of the Grantee Property, a utility district or a utility provider, the Grantee Owner shall be fully responsible, at its sole cost and expense, for maintaining and repairing, as necessary, the Drainage Facilities. If any of the Drainage Facilities are accepted for maintenance by the City of Celina, a homeowner’s association, a utility district or a utility provider, this

Agreement shall automatically expire as to such portion of the Drainage Facilities that are accepted and the Grantee Owner shall have no further obligations under this Agreement.

4. The Easement runs with and is appurtenant to the Grantee Property and is for the benefit of the Grantee Owner and its successors and assigns. Grantor hereby represents and warrants that there are no liens on the Easement Tract.

5. Any damage to the Grantor Property that is caused by the Grantee Owner in the exercise of its rights under this Agreement shall be promptly repaired by the Grantee Owner, with the costs thereof to be borne by the Grantee Owner, shall be as minimally intrusive and as minimally damaging to the Grantor Property as reasonably possible and shall be performed in a good and workmanlike fashion with all required governmental permits and approvals.

6. Any mortgage or lien affecting any portion of the Grantor Property shall at all times be subject and subordinate to the terms of this Agreement and any person or entity acquiring title to all or any portion of the Grantor Property through a foreclosure proceeding, by a deed in lieu of foreclosure or otherwise shall acquire title thereto subject to all of the Easement and all of the terms of this Agreement.

7. The rights, duties and obligations created by this Agreement shall constitute covenants running with the land, shall be binding on all subsequent owners of fee simple title in and to the Grantor Property and the Grantee Property, and shall be binding upon and inure to the benefit of Grantee and its respective successors and assigns. Notwithstanding anything to the contrary herein, however, any obligation under this Agreement shall be enforceable only against the then Owner of a Parcel and not against such Owner's predecessor-in-interest or successor-in-interest, and no Owner of a Parcel shall have any liability under this Agreement resulting directly or indirectly from the acts or omission of a predecessor or successor owner of such Parcel or from the acts or omissions of such predecessor and successor owner's contractors, tenants or occupants or from occurrences on such Parcel at a time of ownership by any such predecessor or successor owner. Notwithstanding the foregoing, nothing in this Agreement shall serve to excuse or release an Owner's predecessor-in-interest or successor-in-interest from liability for matters arising while such person or entity owned the Parcel.

8. Notwithstanding any term or provision of this Agreement which may appear to be to the contrary, the Easement is independent of the duties, obligations and liabilities created by this Agreement and no breach of any term or provision of this Agreement shall in any event whatsoever cancel, rescind or otherwise terminate, or give any party to this Agreement the right to cancel, rescind or otherwise terminate, the Easement, but such limitation shall not affect, in any manner, any other rights or remedies which any party may have under this Agreement, at law or in equity, by reason of any breach of the provisions of this Agreement, including, without limitation, the right to seek an injunction against violations of this Agreement.

9. If any term or provision or portion of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision or portion thereof to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be

affected thereby, and each such term and provision of this Agreement shall be valid and enforced to the fullest extent permitted by law.

10. Any waiver by a party of any breach of any covenant or provision in this Agreement must be in writing and signed by such party to be effective. No waiver of any breach of any covenant or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof or of any other covenant or provision herein contained. No extension of the time for performance of any obligation or act to be performed herein shall be deemed to be an extension of the time for performance of any other obligation or act to be performed under this Agreement.

11. Whenever required by the context of this Agreement, the singular shall include the plural and the masculine shall include the feminine and vice versa. This Agreement shall not be construed as if it had been prepared by one of the parties, but rather as if all parties had prepared the same. Unless otherwise indicated, all references herein to sections and paragraphs are to this Agreement. All exhibits referred to in this Agreement are incorporated herein by reference. If the date on which an action is required to be taken under the terms of this Agreement is not a business day for national banks on Texas, the date for such action to be taken shall be extended to the next succeeding business day.

12. This Agreement may be amended only by a document executed by then Owners of the Grantee Property and the Grantor Property as of the date of such amendment and recorded in the Real Property Records of Collin County, Texas. No emails or other electronic communications shall be effective as amendments to this Agreement. This Agreement contains the entire agreement between the parties relating to the rights granted hereunder and shall be governed by the laws of the State of Texas and is performable in Collin County, Texas. This Agreement may be executed in separate counterparts, without the necessity of each party having to sign the same counterpart.

13. In addition to any other remedies provided herein or otherwise available at law or in equity, the provisions of this Agreement shall be enforceable by action for specific performance. Except as otherwise specifically provided herein, all rights, privileges and remedies afforded the parties by this Agreement shall be deemed cumulative and not exclusive and the exercise of any one or more of such remedies shall not be deemed to be a waiver of any other right, remedy or privilege provided for herein or available at law or in equity. It is expressly understood that a recovery in damages may not be an adequate remedy for a violation of the provisions of this Agreement and that the granting of equitable remedies may, and probably will, be necessary. Any provision in this Agreement notwithstanding, in no event shall any party to this Agreement be liable for any speculative, indirect, consequential or punitive damages. In the event it becomes necessary for either party hereto to file a suit to enforce this Agreement or any provisions contained herein, the prevailing party in such action shall be entitled to recover, in addition to all other remedies or damages, reasonable attorneys' fees and court costs incurred by such prevailing party in such suit. The parties agree that "prevailing party" means the party who successfully prosecutes the action or successfully defends against it, prevailing on the main issue, even though not necessarily receiving an award of damages or other form of recovery.

TO HAVE AND TO HOLD the Easement, together with all and singular, the rights and appurtenances thereto in anywise belonging, unto Grantee, and its respective successors and permitted assigns, forever.
