Letter Explaining Intent to Apply for a Charter Amendment

Dear Superintendent and President of the Board of Trustees:

This is to inform you that the following charter school intends to submit an amendment request to the commissioner of education:

A+ Academy
057-829
10327 Rylie Road
Dallas, Texas 75217

As part of the amendment process, charter schools are required to notify any districts that are likely to be affected by the change. The enclosed Statement of Impact form indicates the type of amendment request being made. Specifically, we have purchased a property adjacent to our current facility that we plan to use as our Early Childhood Center. The Early Childhood Center will house currently enrolled Pre-K and Kindergarten students and will not increase the enrollment cap already approved by the TEA. Additionally, we are asking the Commissioner to approve an expansion of our geographic boundary that will allow our employees living in school districts outside our current geographic boundary to bring their children to our schools.

Specifically, Texas Education Agency guidelines require that the Statement of Impact form be sent to each district that may be affected. Information is requested if the proposed change may adversely impact a district financially or if the proposed change may impact the student enrollment of a district in a manner that impairs the district's ability to comply with a court order. The enclosed form may be completed by any district that may be affected, signed by the district's board president and superintendent, and returned to the Texas Education Agency, Charter Schools Division, 1701 North Congress Avenue, Austin, Texas 78701-1494.

Please review the enclosed form and notify the Texas Education Agency if your district will be impacted by the request.

Sincerely,

Alan Seay, EdD
Superintendent/CEO
