

Biographical Information  
Derek Larson  
SHS Math Teacher 1.0 FTE

Derek Larson, Math Teacher

Starting his 7<sup>th</sup> year of teaching, Derek comes to SHS from Whitefish Bay High School where he taught Mathematics and Chemistry. Derek has dual certification in both Mathematics and Chemistry and is also certified to teach Digital Electronics through the national Project Lead The Way curriculum.

Derek has a degree in Chemical Engineering and previously worked for the city of Minneapolis as a Project Engineer. He attended the University of Wisconsin-Milwaukee to complete his Education prerequisites and earned his teaching certificate from Cardinal Stritch University.

We are excited to add Derek Larson to our mathematics department at Shorewood High School! Welcome, Derek!
