- August kicked off our new Family Movie Night offering and we had 30 people in attendance! We will be showing family friendly movies on the 2nd Monday of each month and are looking at expanding to other offerings that cater to a wider audience (offered on a different night). Our next family movie night is scheduled for Monday, September 9th and we will be showing: "Despicable Me 4". A public performance site license was purchased through Swank Motion Pictures to allow for this programming opportunity.
