Grades 9-12	Spanish 2	Spanish 1 and 2 Primary Resource: Textbook replacement for aging resources.	EntreCulturas: Communicate, Explore, and Connect Across Cultures: Wayside Publishing	<p>The Board of Education approved the adoption of <i>EntreCulturas</i> for Spanish courses beginning this school year. <i>EntreCulturas</i> is a four-level series that stresses the importance of fluency, authentic resources, and comprehensible input. The series is tied directly to AP Spanish standards as well as those of the American Council of Teachers of Foreign Language.</p> <p>While this resource has already been approved, we are bringing it to you today for two reasons.</p> <p>First, we originally proposed a 'phased' implementation for <i>EntreCulturas</i>, meaning only Spanish 1 implemented <i>EntreCulturas</i> this year. Spanish 2 will begin formal implementation for the 23-24 school year.</p> <p>Additionally, we originally recommended this resource as a 'digital-only' resource. After one year of implementation in Spanish 1 our teachers have learned that a hardback textbook is still a necessary resource. To that end we are recommending class sets of <i>EntreCulturas 1 and 2</i> for our Spanish teachers who will be using this resource next year and beyond.</p>	330	\$83	\$27,390
