

To Vienna Township and Whom It May Concern,

Let me tell you, the fence at 5514 W Vienna Rd is *tremendous*. Absolutely fantastic. We've seen a lot of fences, folks, but this one—this one's a real winner. It's going to be great for the property, great for the neighborhood, and frankly, we have zero objections. None. We strongly encourage the township to approve the variance because, let's face it, this fence is making Vienna great again.

Thank you,
