

HEYBURN ELEMENTARY

In order to maintain a secure and orderly learning environment and to promote respect and courtesy regarding the use of electronic communication devices, the District has established policy governing student use of electronic communication devices (ECDs). Heyburn Elementary will follow the district policy for ECDs —Policy #503. Students may not use cell phones during the school day without permission. **If a student uses their personal electronic communication device during school time without permission, it will be taken by staff and turned into the office where it will remain until signed for and picked up by a parent or guardian.** Likewise, if a student misuses an electronic device provided by the school, consequences may include replacement of the device and/or a suspension of privileges.
