1. 6:45 P.M. True North Cooperative 804 Withdrawal Hearing

1.A. D65 Resolution for Withdrawal

Dr. Leali led the public hearing regarding our district's withdrawal from True North Cooperative 804. Dr. Leali has participated in many meetings and discussions with True North and the 18 other partner districts regarding this. This resolution is to ensure our financial protection should True North dissolve. The situation is very difficult to predict, and we are very grateful for our partnership with True North and for their services. We will continue to engage with the Cooperative to do what is best for our district and our students. We are committed to continuing inclusion and support for our families and students who learn with True North.
