NSSEO Agreements, Feedback

(Information/Action)

The NSSEO Governing Board's Operating Agreements have not been reviewed since 2015. Dr. Schnoor has recommended a two-tier board structure; therefore, the Operating Agreements were reopen and recommendations were made from all parties. At the last RTSD26 Board of Education meeting, the Board discussed the recommended amendments. Tonight Mr. Rognstad is looking for direction on whether the Board is in support or not of the proposed NSSEO Governing Board Operating Agreements.
