## Two Cellphone Scholarships to be Awarded

We will award two scholarships, minimum of \$200 each, based on current cell phone fund amounts.

Requirements: students will answer two essay questions about how technology has both enhanced and hindered communication. Applications must be submitted through this Google format.

Applications are due Friday, May 3rd.

The Z1, considered to be the first fully functional modern computer, was created by German Konrad Zuse between 1936 and 1938. Alexander Graham Bell, inventor of the telephone, made the first call on March 10, 1876. Facebook was launched as FaceMash in 2003, later changed to TheFacebook in 2004.

Our **One Act Play**performers did a
wonderful job on March
6<sup>th</sup>. Honorable Mention
All Star Cast awards were
earned by Judith Perez
