APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: June 15, 2015

RECOMMENDATION:

The Board will consider the attached Order approving the issuance of the first series of bonds in the approximate amount of \$100,000,000 authorized by the election held within the District on November 5, 2013 (the "Election").

RATIONALE:

As permitted under the State law, in the Order, the Board has delegated the authority to the Superintendent, Chief Financial Officer, and Board President, the authority to execute an "Approval Certificate" which will contain the final sale terms of the Bonds when the District actually enters the financial market to sell its Bonds. Section 1 of the Order describes the sale term "parameters" pursuant to which the Bonds must be sold. Because of this delegated authority, no further Board action or approval is required after adoption of the Order, although it is contemplated that the final sale terms will be reviewed and ratified at a June special Board meeting. After the issuance of this series of bonds, the District will have approximately \$208,712,549 in authorized but unissued bonds pursuant to the election.

UNITED INDEPENDENT SCHOOL DISTRICT (the "District"), a political subdivision of the State of Texas, promises to pay to the Registered Owner, specified above, or registered assignees (the "Owner") on the Maturity Date, specified above, upon presentation and surrender of this Bond at the designated payment office of Wells Fargo Bank, National Association, Minneapolis, Minnesota, or its successor (the "Paying Agent/Registrar"), the Principal Amount, specified above, in lawful money of the United States of America, and to pay interest thereon at the Interest Rate, specified above, calculated on the basis of a 360-day year of twelve 30-day months, from the later of the Delivery Date, specified above, or the most recent interest payment date to which interest has been paid or duly provided for. Interest on this Bond is payable by check dated February 15, 2016 and each August 15 and February 15 thereafter, mailed to the Owner of record as shown on the books of registration kept by the Paying Agent/Registrar (the "Register"), as of the date which is the last day of the month next preceding the interest payment date or in such other manner as may be acceptable to the Owner and the Paying Agent/Registrar. Notwithstanding the above paying procedures, upon written request to the District and the Paying Agent/Registrar, the Owner of at least \$1,000,000 in principal amount may receive all payments of principal and interest hereon by wire transfer on each payment date. CUSIP number identification with appropriate dollar amount of payment pertaining to each CUSIP number (if more than one CUSIP number) must accompany all payments of interest and principal, whether by check or wire transfer. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment thereof have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due payment (the "Special Payment Date," which shall be 15 calendar days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of the Owner appearing on the Register at the close of business on the last business day next preceding the date of mailing of such notice. The District covenants with the Owner that no later than each principal installment payment date and interest payment date for this Bond it will make available to the Paying Agent/Registrar the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bond, when due, in the manner set forth in the Order defined below.

IF THE DATE for the payment of the principal of or interest on the Bonds shall be a Saturday, a Sunday, a legal holiday, or a day on which banking institutions in the city where the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding business day; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of Bonds, dated as of [July 1, 2015] (the "Bonds") of like designation and tenor, except as to number, interest rate, denomination, and maturity issued pursuant to the Order adopted by the Board of Trustees of the District on June 15, 2015 and a "Pricing Certificate" executed pursuant thereto (collectively, the "Order"), in the original aggregate principal amount of \$_____ for the purposes of constructing, renovating, acquiring, and equipping school facilities in the District and to pay costs of issuance of the Bonds by virtue of the laws of the State of Texas, including particularly Chapter 45, Texas Education Code, as amended, and Chapter 1371, Texas Government Code, as amended.

THE DISTRICT RESERVES THE RIGHT, at its option, to redeem the Bonds maturing on or after August 15, [____] prior to their scheduled maturities, in whole or in part, in integral multiples of \$5,000 on August 15, [____], or any date thereafter, at a price of par value plus accrued interest on the principal amounts called for redemption from the most recent interest payment to the date fixed for redemption. If less than all the Bonds are redeemed at any time, the particular maturities of Bonds to be redeemed shall be selected by the District. If less than all of the Bonds of a certain maturity are to be redeemed, the particular Bond or portions thereof to be redeemed will be selected by the Paying Agent/Registrar by such random method as the Paying Agent/Registrar shall deem fair and appropriate.

THE BONDS MATURING ON AUGUST 15, [____] (the "Term Bonds") shall be subject to mandatory sinking fund redemption, in whole or in part (at redemption price equal to the principal amount thereof and any accrued interest thereon to the date set for redemption), on August 15 in each of the years and in the amounts set forth below:

<u>Year</u>	<u>Amount</u>
-------------	---------------

*Final Maturity

THE PRINCIPAL AMOUNT OF THE TERM BOND for a stated maturity required to be redeemed pursuant to the operation of such mandatory redemption provisions may be reduced, at the option of the District, by the principal amount of the Term Bond of like stated maturity which, at least 50 days prior to the mandatory redemption date, (i) shall have been defeased or acquired by the District and delivered to the Paying Agent/Registrar at the request of the District, or (ii) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory redemption requirement.

IF A BOND subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in integral multiples of \$5,000. Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a Bond or Bonds of like maturity and interest rate in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

NOTICE OF ANY REDEMPTION identifying the Bonds to be redeemed in whole or in part shall be given by the Paying Agent/Registrar upon direction of the District at least 30 days prior to the date fixed for redemption by sending written notice by first class mail to the Owner of each Bond to be redeemed, in whole or in part, at the address shown on the Register. Any notice given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the redemption price of the Bonds or portions thereof to be redeemed, plus accrued interest to the date fixed for redemption. When Bonds have been called for redemption in whole or in part and due provision has been made to redeem the same as herein provided, such Bonds or portions thereof so redeemed shall no longer be regarded as outstanding except for the purpose of receiving payment solely from the funds so provided for redemption, and the rights of the Owners to collect interest which would otherwise accrue after the redemption date on any Bond or portion thereof called for redemption shall terminate on the date fixed for redemption.

THE BONDS are issued pursuant to the Order whereunder the District covenants to levy a continuing, direct, annual ad valorem tax on taxable property within the District, without legal limitation as to rate or amount, for each year while any part of the Bonds are considered outstanding under the provisions of the Order, in a sufficient amount to pay interest on each Bond as it becomes due, to provide for the payment of the principal or maturing amounts, as appropriate, of the Bonds when due, and to pay the expenses of assessing and collecting such tax. Reference is hereby made to the Order for provisions with respect to the custody and application of the District's funds, remedies in the event of a default hereunder or thereunder, and the other rights of the Owner.

THIS BOND IS TRANSFERABLE OR EXCHANGEABLE only upon presentation and surrender at the designated payment office of the Paying Agent/Registrar. If a Bond is being transferred, it shall be duly endorsed for transfer or accompanied by an assignment duly executed by the Owner, or his authorized representative, subject to the terms and conditions of the Order. If a Bond is being exchanged, it shall be in the principal amount of \$5,000 or any integral multiple thereof, all subject to the terms and conditions of the Order. The Owner of this Bond shall be deemed and treated by the District and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and the District and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Owner.

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on, or maturing amounts of (as appropriate) the Bonds by the levy of a continuing, direct, annual ad valorem tax upon taxable property within the District; and that issuance of the Bonds does not exceed any constitutional or statutory limitation.

BY BECOMING the Owner of this Bond, the Owner thereby acknowledges all of the terms and provisions of the Order, agrees to be bound by such terms and provisions, and agrees that the terms and provisions of this Bond and the Order constitute a contract between each Owner and the District.

IN WITNESS WHEREOF this Bond has been signed with the manual or facsimile signature of the President of the Board of Trustees of the District and countersigned with the manual or facsimile signature of the Secretary of the Board of Trustees, and the official seal of the District has been duly impressed, or placed in facsimile, on this Bond.

(ii) The Bonds shall be ratably secured in such manner that no one Bond shall have preference over other Bonds.

(b) Specific Covenants. The District covenants and represents that, while the Bonds are outstanding and unpaid, it will:

(i) Levy an ad valorem tax that will be sufficient to provide funds to pay the current interest on the Bonds and to provide the necessary sinking fund, all as described in this Order; and

(ii) Keep proper books of record and accounts in which full, true, and correct entries will be made of all dealings, activities, and transactions relating to the funds created pursuant to this Order, and all books, documents, and vouchers relating thereto shall at all reasonable times be made available for inspection upon request from any Owner.

(c) Covenants Regarding Tax Matters. The District covenants to take any action to maintain, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Code, the interest on which is not includable in "gross income" for federal income tax purposes. In furtherance thereof, the District specifically covenants as follows:

(i) To refrain from taking any action which would result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(ii) To take any action to assure that no more than 10% of the proceeds of the Bonds or the projects financed with the Refunded Bonds are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10% of the proceeds or the projects financed with the Refunded Bonds are so used, that amounts, whether or not received by the District with respect to

such private business use, do not under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10% of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(iii) To take any action to assure that in the event that the "private business use" described in paragraph (ii) hereof exceeds 5% of the proceeds of the Bonds or the projects financed therewith, then the amount in excess of 5% is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(iv) To take any action to assure that no amount which is greater than the lesser of \$5,000,000 or 5% of the proceeds of the Bonds is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(v) To refrain from taking any action which would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(vi) Except to the extent permitted by section 148 of the Code and the regulations and rulings thereunder, to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds.

(vii) To otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refunding);

(viii) Except to the extent otherwise provided in section 148(f) of the Code and the regulations and rulings thereunder, to pay to the United States of America at least once during each five year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90% of the "Excess Earnings," within the meaning of section 148(f) of the Code, and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100% of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(ix) To maintain such records as will enable the District to fulfill its responsibilities under this subsection and section 148 of the Code and to retain such records for at least six years following the final payment of principal and interest on the Bonds.

For the purposes of the foregoing, in the case of a refunding bond, the term proceeds includes transferred proceeds and, for purposes of paragraphs (ii) and (iii), proceeds of the Refunded Bonds.

The covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such modification or expansion, in the opinion of nationally recognized bond counsel, will not adversely affect the exclusion from gross income of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code.

Proper officers of the District charged with the responsibility of issuing the Bonds are hereby authorized and directed to execute any documents, certificates, or reports required by the Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

Notwithstanding any other provision in this Resolution, to the extent necessary to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code the covenants contained in this subsection shall survive the later of the defeasance or discharge of the Bonds.

(d) Covenants Regarding Sale, Lease, or Disposition of Financed Property. The District covenants that the District will regulate the use of the property financed, directly or indirectly, with the proceeds of the Bonds and will not sell, lease, or otherwise dispose of such property unless (i) the District takes the remedial measures as may be required by the Code and the regulations and rulings thereunder in order to preserve the exclusion from gross income of interest on the Bonds under section 103 of the Code or (ii) the District seeks the advice of nationally recognized bond counsel with respect to such sale, lease, or other disposition.

Section 8. Paying Agent/Registrar. The Paying Agent/Registrar is hereby appointed as paying agent for the Bonds. The principal of and the accrued interest on the Bonds shall be payable, without exchange or collection charges, in any coin or currency of the United States of America, which, on the date of payment, is legal tender for the payment of debts due the United States of America, as described in the Form of Bonds in Section 3 hereof.

The District, the Paying Agent/Registrar, and any other person may treat the Owner as the absolute owner of such Bonds for the purpose of making and receiving payment of the principal thereof and for the further purpose of receiving payment of the interest thereon and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Bond in accordance with this Order shall be valid and effectual and shall discharge the liability of the District and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

So long as any Bonds remain outstanding, the Paying Agent/Registrar shall keep the Register at one of its corporate trust offices in Texas in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with the terms of this Order.

The District may at any time and from time to time appoint another Paying Agent/Registrar in substitution for the previous Paying Agent/Registrar provided that any such Paying Agent/Registrar shall be a national or state banking institution, shall be an association or a corporation organized and doing business under the laws of the United States of America or any state, authorized under such laws to exercise trust powers, shall be subject to supervision or examination by federal or state authority, and shall be authorized by law to serve as a paying agent/registrar. In such event, the District shall give notice by United States mail, first-class, postage prepaid to each Owner. Any bank or trust company with or into which any Paying Agent/Registrar may be merged or consolidated, or to which the assets and business of Paying Agent/Registrar may be sold or otherwise transferred, shall be deemed the successor of such Paying Agent/Registrar for the purposes of this Order.

The President and the Secretary of the Board are hereby authorized to enter into, execute, and deliver the Paying Agent/Registrar Agreement with the initial Paying Agent/Registrar in substantially the form of Exhibit B.

Section 9. Initial Bond; Exchange or Transfer of Bonds. Initially, (the "Initial Bond") numbered I-1 and representing the entire principal amount of Bonds shall be registered in the name of the Initial Purchaser or the designee thereof and shall be executed and submitted to the Attorney General of Texas for approval, and thereupon certified by the Comptroller of Public Accounts of the State of Texas or her duly authorized agent, by manual signature. At any time thereafter, the Owner may deliver the Initial Bond to the Paying Agent/Registrar for exchange, accompanied by instructions from the Owner or such designee designating the person, maturities, and principal amounts to and in which the Initial Bond are to be transferred and the addresses of such persons, and the Paying Agent/Registrar shall thereupon, within not more than 72 hours, register and deliver such Bonds upon authorization of the District as provided in such instructions.

Each Bond shall be transferable within 72 hours after request, but only upon the presentation and surrender thereof at the designated payment office of the Paying Agent/Registrar, duly endorsed for transfer, or accompanied by an assignment duly executed by the Owner or his authorized representative in the form satisfactory to the Paying Agent/Registrar. Upon due presentation of any Bond for transfer, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor, to the extent possible and under reasonable circumstances within three business day after such presentation, a new Bond or Bonds, registered in the name of the transferee or transferees, in authorized denominations, of the same maturity, in the appropriate principal amount, and bearing interest at the same rate as the Bond or Bonds so presented.

All Bonds shall be exchangeable upon presentation and surrender thereof at the appropriate corporate trust office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination, in an aggregate principal amount or maturing amounts, as appropriate, equal to the unpaid principal amount or maturing amount of the Bond or Bonds presented for exchange. The Paying Agent/Registrar shall be and is hereby authorized to authenticate and deliver exchange Bonds in accordance with this Order and each Bond so delivered shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

The District or the Paying Agent/Registrar may require the Owner of any Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Bond. Any fee or charge of the Paying Agent/Registrar for such transfer or exchange shall be paid by the District.

Section 10. District Officers' Duties. (a) Issuance of Bonds. The President of the Board shall submit the Initial Bond, the record of the proceedings authorizing the issuance of the Bonds, and any and all necessary orders, certificates, and records to the Attorney General of the State of Texas for his investigation. After obtaining the approval of the Attorney General, the President of the Board shall cause the Initial Bond to be registered by the Comptroller of Public Accounts of the State of Texas. The officers or acting officers of the Board are authorized to execute and deliver on behalf of the Board such certificates and instruments as may be necessary or appropriate prior to the delivery of and payment for the Bonds to and by the Initial Purchaser.

(b) Execution of Order. The President and the Secretary of the Board are authorized to execute the certificate to which this Order is attached on behalf of the Board and to do any and all things proper and necessary to carry out the intent hereof.

Section 11. Remedies of Owners. In addition to all rights and remedies of any Owner of the Bonds provided by the laws of the State of Texas, the District and the Board covenant and agree that in the event the District defaults in the payment of the principal of or interest on any of the Bonds when due, fails to make the payments required by this Order to be made into the Interest and Sinking Fund, or

defaults in the observance or performance of any of the covenants, conditions, or obligations set forth in this Order, the Owner of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the Board and other officers of the District to observe and perform any covenant, obligation, or condition prescribed in this Order. No delay or omission by any Owner to exercise any right or power accruing to such Owner upon default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies mentioned in this Order shall be available to any Owner of any of the Bonds and shall be cumulative of all other existing remedies.

Section 12. Lost, Stolen, Destroyed, Damaged, or Mutilated Bonds; Destruction of Paid Bonds. (a) Replacement Bonds. In the event any outstanding Bond shall become lost, stolen, destroyed, damaged, or mutilated, at the request of the Owner thereof, the District shall cause to be executed, registered by the Paying Agent/Registrar, and delivered a substitute Bond of like date and tenor, in exchange and substitution for and upon cancellation of such mutilated or damaged Bond, or in lieu of and substitution for such Bond, lost, stolen, or destroyed, subject to the provisions of subsections (b), (c), (d), and (e) of this Section.

(b) Application and Indemnity. Application for exchange and substitution of lost, stolen, destroyed, damaged, or mutilated Bonds shall be made to the District. In every case the applicant for a substitute Bond shall furnish to the District such deposit for fees and costs as may be required by the District to save it and the Paying Agent/Registrar harmless from liability. In every case of loss, theft, or destruction of a Bond, the applicant shall also furnish to the District indemnity to the District's satisfaction and shall file with the District evidence to the District's satisfaction of the loss, theft, or destruction and of the ownership of such Bond. In every case of damage or mutilation of a Bond, the applicant shall surrender the Bond so damaged or mutilated to the Paying Agent/Registrar.

(c) Matured Bonds. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bonds, the District may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a substitute Bond, if any, provided security or indemnity is furnished as above provided in this Section.

(d) Expense of Issuance. Upon the issuance of any substitute Bonds, the District may charge the Owner of such Bond with all fees and costs incurred in connection therewith. Every substitute Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, destroyed, damaged, or mutilated shall constitute a contractual obligation of the District, whether or not the lost, stolen, destroyed, damaged, or mutilated Bonds shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) Authority to Issue Substitute Bonds. This Order shall constitute sufficient authority for the issuance of any such substitute Bonds without necessity of further action by the Board or any other body or person, and the issuance of such substitute Bonds is hereby authorized, notwithstanding any other provisions of this Order.

(f) Destruction of Paid Bonds. At any time subsequent to six months after the payment thereof, the Paying Agent/Registrar is authorized to cancel and destroy any Bonds duly paid and shall furnish to the District a certificate evidencing such destruction.

Section 13. Redemption. The Bonds are subject to optional redemption as described in the "Form of Bonds" in Section 3 hereof.

Section 14. Defeasance. (a) Except to the extent provided in subsection (c) of this Section, any Bond, and the interest thereon, shall be deemed to be paid, retired, and no longer outstanding within the meaning of this Order (a "Defeased Bond") when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to a person described by Section 1207.061(a), Texas Government Code, as amended (a "Depository"), with respect to the safekeeping, investment, administration, and disposition of a deposit made under Section 1207.061, Texas Government Code, as amended, for such payment (the "Deposit") (A) lawful money of the United States of America sufficient to make such payment or (B) Government Obligations, which may be in book-entry form, that mature and bear interest payable at times and in amounts sufficient to provide for the scheduled payment of any Defeased Bond. To cause a Bond scheduled to be paid on a date later than the next scheduled interest payment date on such Bond to become a Defeased Bond, the District must, with respect to the Deposit, enter into an escrow or similar agreement with a Depository.

In connection with any defeasance of the Bonds, the District shall cause to be delivered: (i) in the event an escrow or similar agreement has been entered into with a Depository to effectuate such defeasance, a report of an independent firm of nationally recognized certified public accountants verifying the sufficiency of the escrow established to pay the Defeased Bonds in full on the maturity or, with respect to the Bonds, the redemption date thereof (the "Verification"); or (ii) in the event no escrow or similar agreement has been entered into, a certificate from the President of the Board certifying that the amount deposited with a Depository is sufficient to pay the Defeased Bonds in full on the maturity date, or with respect to the Bonds, the redemption date thereof. In addition to the required Verification or certificate, the District shall also cause to be delivered an opinion of nationally recognized bond counsel to the effect that the Defeased Bonds are no longer outstanding pursuant to the terms hereof and a certificate of discharge of the Paying Agent/Registrar with respect to the Defeased Bonds. The Verification, if any, and each certificate and opinion required hereunder shall be acceptable in form and substance, and addressed, if applicable, to the Paying Agent/Registrar and the District. The Bonds shall remain outstanding hereunder unless and until they are in fact paid and retired or the above criteria are met.

At such time as a Bond shall be deemed to be a Defeased Bond hereunder, and all herein required criteria have been met, such Bond and the interest thereon shall no longer be outstanding or unpaid and shall no longer be entitled to the benefits of the pledge of the security interest granted under this Order, and such principal and interest shall be payable solely from the Deposit of money or Government Obligations; provided, however, the District has reserved the option to be exercised at the time of the defeasance of the Bonds, to call for redemption, at an earlier date, those Bonds which have been defeased to their maturity date, if the District (i) in the proceedings providing for the firm banking and financial arrangements, expressly reserves the right to call the Bonds for redemption; (ii) gives notice of the reservation of that right to the Owners immediately following the making of the firm banking and financial arrangements; and (iii) directs that notice of reservation be included in any redemption notices that it authorizes

(b) Any money so deposited with a Depository may at the written direction of the District also be invested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from such Government Obligations received by a Depository which is not required for the payment of the Defeased Bonds and interest thereon, with respect to which such money has been so deposited, shall be used as directed in writing by the District.

(c) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not

been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Order.

Section 15. Permanent School Fund Guarantee. The payment of the principal of and interest on the Bonds, when due, is guaranteed by the corpus of the Permanent School Fund of the State of Texas (the "Permanent School Fund") in accordance with the provisions of Article 7, Section 5 of the Texas Constitution and Subchapter C of Chapter 45 of the Texas Education Code, as amended, subject to compliance with the Texas Education Agency rules and regulations. The District hereby covenants to notify the Commissioner of Education of the State of Texas (the "Commissioner") immediately following (but not later than the fifth day before maturity date) a determination that the District is or will be unable to pay maturing or matured principal or interest on any Bond and will further notify the Commissioner of any default in the payment of principal or interest, when due, on any Bond. Immediately following such notice, the Commissioner is required by law to cause to be transferred from the appropriate account of the Permanent School Fund to the Paying Agent/Registrar the amount necessary to pay the maturing or matured principal or interest, and in accordance with Texas Education Code §45.061, the Comptroller of Public Accounts will withhold the amount paid, plus interest, from the first state money payable to the District in the following order: foundation school fund, available school fund. In the event of defeasance as described in Section 14, the Permanent School Fund Guarantee is removed in its entirety with respect to the Bonds defeased.

Section 16. Facilities Allotment Revenues. In connection with the issuance of the Bonds, the District may make application to the Texas Education Agency for financial assistance from the State of Texas in accordance with the instructional facilities allotment funding program established pursuant to Chapter 46, Texas Education Code, as amended (the "Program"). The District is also receiving a State debt service subsidy for the payment of debt service on prior bonds (the "Prior Bonds") under Section 46.009, Texas Education Code ("Tier III"). In each fiscal year in which the District receives funding under the Program, Tier III, or any successor State funding program which provides a debt service subsidy for the Bonds (such funds being collectively referred to herein as "Debt Subsidy Funds"), the District shall deposit immediately upon receipt the Debt Subsidy Funds received to the credit of the Interest and Sinking Fund. If the Debt Subsidy Funds are actually on deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes which otherwise would have been required to be levied shall be reduced to the extent and by the amount of the Debt Subsidy Funds then on deposit in the Interest and Sinking Fund.

Section 17. Order a Contract; Amendments. This Order shall constitute a contract with the Owners, from time to time, of the Bonds, binding on the District and its successors and assigns, and shall not be amended or repealed by the District as long as any Bond remains outstanding except as permitted in this Section. The District may, without the consent of or notice to any Owners, amend, change, or modify this Order as may be required (a) by the provisions hereof; (b) for the purpose of curing any ambiguity, inconsistency, or formal defect or omission herein; or (c) in connection with any other change which is not to the prejudice of the Owners. The District may, with the written consent of the Owners of the majority in aggregate principal amount of Bonds then outstanding affected thereby, amend, change, modify, or rescind any provisions of this Order; provided that without the consent of all of the Owners affected, no such amendment, change, modification, or rescission shall (i) extend the time or times of payment of the principal of and interest on the Bonds or reduce the principal amount thereof or the rate of interest thereon; (ii) give any preference to any Bond over any other Bond; (iii) extend any waiver of default to subsequent defaults; or (iv) reduce the aggregate principal amount of Bonds required for consent to any such amendment, change, modification, or rescission. When the District desires to make any amendment or addition to or rescission of this Order requiring consent of the Owners, the District shall cause notice of the amendment, addition, or rescission described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the District may adopt such amendment, addition, or rescission in substantially such form, except as herein provided. No Owner may thereafter object to the adoption of

such amendment, addition, or rescission, or to any of the provisions thereof, and such amendment, addition, or rescission shall be fully effective for all purposes.

Section 18. Sale and Delivery of Bonds. (a) Sale. The sale of the Bonds to the Initial Purchaser pursuant to the Pricing Certificate and the Bond Purchase Agreement attached hereto as Exhibit C is hereby confirmed and delivery of the Bonds to the Initial Purchaser shall be made as soon as practicable after the adoption of this Order, upon payment therefor, in accordance with the Bond Purchase Agreement. The Authorized Representatives are hereby authorized to sign and deliver the Bond Purchase Agreement.

(b) Approval of Official Statement. An Authorized Representative is hereby directed to approve the form and content of the Official Statement relating to the Bonds and any addenda, supplement, or amendment thereto, and approve the distribution of such Official Statement in the reoffering of the Bonds by the Initial Purchaser in final form, with such changes therein or additions thereto as the officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof. The form and content of and the distribution and use of the Preliminary Official Statement as approved by an Authorized Representative is approved.

(c) Legal Opinion. The Initial Purchaser's obligation to accept delivery of the Bonds is subject to their being furnished an opinion of Co-Bond Counsel, such opinion to be dated and delivered as of the date of delivery and payment for the Bonds.

(d) Registration and Delivery. Upon the registration of the Initial Bond, the Comptroller of Public Accounts of the State of Texas is authorized and instructed to deliver the Initial Bond pursuant to the instruction of the President of the Board for delivery to the Initial Purchaser.

Section 19. Use of Proceeds. The proceeds from the sale of the Bonds (net premium and underwriter's discount) shall be as follows: (i) \$_____ shall be deposited to the credit of the Construction Fund hereby established for the purposes of the Bonds; and (ii) \$_____ of the proceeds will be used to pay costs of issuance of the Bonds.

Section 20. Continuing Disclosure Undertaking. (a) Annual Reports. The District shall provide annually to the Municipal Securities Rulemaking Board (the "MSRB") pursuant to its Electronic Municipal Market Access System ("EMMA"), within six months after the end of each Fiscal Year ending in or after 2015, financial information and operating data with respect to the District of the general type described in Exhibit D hereto with respect to such Fiscal Year or the 12-month period then ended. Any financial statements so to be provided shall be (i) prepared in accordance with generally accepted accounting principles or such other accounting principles as the District may be required to adopt from time to time by state law or regulations and (ii) audited, if the District commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, the District will provide unaudited statements by the required time and the District shall provide audited financial statements for the applicable fiscal year to the MSRB when and if the audit report on such statements becomes available.

If the District changes its Fiscal Year, it will notify the MSRB of the change (and of the date of the new Fiscal Year end) prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document available to the public on the EMMA system internet website or filed with the SEC.

(b) Notice of Occurrence of Certain Events, Whether or Not Material. The District will notify the MSRB through EMMA (in an electronic format as prescribed by the MSRB) within ten business days following the occurrence of any of the following events with respect to the Bonds, without regard to whether such event is material within the meaning of the federal securities laws: (1) principal and interest payment delinquencies; (2) unscheduled draws on debt service reserves reflecting financial difficulties; (3) unscheduled draws on credit enhancements reflecting financial difficulties; (4) substitution of credit or liquidity providers, or their failure to perform; (5) adverse tax opinions or the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax-exempt status of the Bonds, or other events affecting the tax-exempt status of the Bonds; (6) tender offers; (7) defeasances; (8) rating changes; and (9) bankruptcy, insolvency, receivership or similar event of an obligated person.

For these purposes, any event described in the immediately preceding paragraph (9) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the District in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District.

(c) Notice of Occurrence of Certain Events, If Material. The District also will notify the MSRB through EMMA (in an electronic format as prescribed by the MSRB) within ten business days following the occurrence of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws: (1) non-payment related defaults; (2) modifications to rights of Owners; (3) redemption calls; (4) release, substitution, or sale of property securing repayment of the Bonds; (5) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms; and (6) appointment of a successor or additional trustee or the change of name of a trustee.

The District shall notify the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with this Section by the time required by this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB that theretofore has been provided to each nationally recognized municipal securities information repository and any state information depository, or filed with the SEC).

(d) Limitations, Disclaimers, and Amendments. The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an "obligated person" with respect to the Bonds within the meaning of (the "Rule"), except that the District in any event will give notice of any deposit made in accordance with Section 14 that causes the Bonds no longer to be Outstanding, and any call of Bonds made in connection therewith.

The provisions of this Section are for the sole benefit of the beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this

Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provisions of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this Section may be amended, supplemented, or repealed by the District from time to time under the following circumstances, but not otherwise: (a) to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, if the provisions of this Section, as so supplemented or amended, would have permitted an underwriter to purchase or sell Bonds in the present offering in compliance with the Rule and either the Holders of a majority in aggregate principal amount of the Outstanding Bonds consent to such amendment, supplement, or repeal, or any State agency or official determines that such amendment, supplement, or repeal will not materially impair the interests of the beneficial owners of the Bonds, (b) upon repeal of the applicable provisions of the Rule, or any judgment by a court of final jurisdiction that such provisions are invalid, or (c) in any other circumstance or manner permitted by the Rule.

Section 21. Book-Entry-Only System. (a) The definitive Bonds shall be initially issued in the name of Cede & Co. (DTC's partnership nominee), as Owner of the Bonds, and held in custody of DTC. A single certificate will be issued and delivered to DTC for each maturity of the Bonds. Beneficial owners of definitive Bonds will not receive physical delivery of Bond certificates except as provided hereinafter. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other person purchasing, selling, or otherwise transferring beneficial ownership of Bonds is to receive, hold, or deliver any Bond certificate. No person shall acquire or hold any beneficial interest in any Bond representing a portion of the principal amount of such Bond which is other than \$5,000 or an integral multiple thereof.

(b) Replacement definitive Bonds may be issued directly to beneficial owners of Bonds other than DTC, or its nominee, but only in the event that (i) DTC determines not to continue to act as securities depository for the Bonds (which determination shall become effective no less than 90 days after written notice to such effect to the Board and the Paying Agent/Registrar); or (ii) the Board has advised DTC of its determination (which determination is conclusive as to DTC and beneficial owners of the Bonds) that DTC is incapable of discharging its duties as securities depository for the Bonds; or (iii) the District has determined (which determination is conclusive as to DTC and the beneficial owners of the Bonds) that the interests of the beneficial owners of the Bonds might be adversely affected if such book-entry only system of transfer is continued. Upon occurrence of any event described in (i) or (ii) above,

the District shall use its best efforts to attempt to locate another qualified securities depository. If the District fails to locate another qualified securities depository to replace DTC, the District shall cause to be executed, authenticated, and delivered replacement Bonds, in certificate form, to the DTC participants having an interest in the Bonds as shown on the records of DTC provided by DTC to the District. In the event that the District makes the determination described in (iii) above and has made provisions to notify the beneficial owners of Bonds of such determination by mailing an appropriate notice to DTC, it shall cause to be issued replacement Bonds in certificate form to the DTC participants having an interest in the Bonds as shown on the records of DTC provided by DTC to the District. The District undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the District to make any determination described in (ii) or (iii) above.

(c) Whenever, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at DTC, the requirements in this Order of holding, delivering, or transferring Bonds shall be deemed modified to require the appropriate person or entity to meet the requirement of DTC as to registering or transferring the book entry to produce the same effect.

If at any time, DTC ceases to own the Bonds, all references herein to DTC shall be of no further force or effect.

Section 22. Perfection of Security. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the proceeds of ad valorem taxes thereto, and such pledge is, therefore, valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the ad valorem tax proceeds is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, in order to preserve to the Owners of the Bonds a security interest in such pledge, the District agrees to take such measures as it determines are reasonable and necessary to enable a filing of a security interest in said pledge to occur.

Section 23. Further Procedures. The President and the Secretary of the Board, the Superintendent of Schools, and the Chief Financial Officer, and all other officers, employees, attorneys, and agents of the District, and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge, and deliver in the name and under the seal and on behalf of the District, all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Order, the Bonds, the Bond Purchase Agreement, and the Official Statement. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. Prior to the initial delivery of the Bonds, the President and the Secretary of the Board and Co-Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Order or to any of the instruments authorized by this Order necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Order, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Bonds by the Texas Attorney General's office.

Section 24. Attorney General Examination Fee. The District recognizes that under Section 1202.004, Texas Government Code, the Attorney General of Texas requires a nonrefundable examination fee be paid at the time of submission of the transcript of the proceedings authorizing the Bonds and that such fee is to be calculated as provided in said Section 1202.004. Winstead PC is accommodating the District by paying such fee upon such submission of such transcript. Officials of the District are, however, hereby authorized to reimburse Winstead PC such amount as soon as possible and whether or not the Bonds are ever delivered and such amount is hereby appropriated from available funds

for such purpose. The District is also authorized to reimburse the fund used for such repayment with proceeds of the Bonds.

Section 25. Miscellaneous Provisions. (a) Titles Not Restrictive. The titles assigned to the various sections of this Order are for convenience only and shall not be considered restrictive of the subject matter of any section or of any part of this Order.

(b) Inconsistent Provisions. All orders and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Order are hereby repealed and declared to be inapplicable, and the provisions of this Order shall be and remain controlling as to the matters prescribed herein.

(c) Severability. If any word, phrase, clause, paragraph, sentence, part, portion, or provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order shall nevertheless be valid and the Board hereby declares that this Order would have been enacted without such invalid word, phrase, clause, paragraph, sentence, part, portion, or provisions.

(d) Governing Law. This Order shall be construed and enforced in accordance with the laws of the State of Texas.

(e) Open Meeting. The Board officially finds and determines that the meeting at which this Order is adopted was open to the public; and that public notice of the time, place, and purpose of such meeting was given, all as required by Chapter 551, Texas Government Code, as amended.

Section 3.02. Payment Dates. The District hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Order.

ARTICLE IV. REGISTRAR

Section 4.01. Security Register - Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the District at the Bank Principal Payment Office books and records (herein sometimes referred to as the “Security Register”) for recording the names and addresses of the Holders of the Securities, the transfer, exchange, and replacement of the Securities, and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the District and subject to such reasonable regulations as the District and the Bank may prescribe. All transfers, exchanges, and replacement of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the National Association of Securities Dealers, in form satisfactory to the Bank, duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer, or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three business days

after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02. Securities. The District shall provide an adequate inventory of printed Securities to facilitate transfers or exchanges thereof. The Bank covenants that the inventory of printed Securities will be kept in safekeeping pending their use, and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other political subdivisions or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03. Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer, and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the District so that the District may contest the court order or such release or disclosure of the contents of the Security Register.

Section 4.05. Return of Cancelled Securities. The District may at any time deliver to the Bank for cancellation any Securities previously authenticated and delivered which the District may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly cancelled by the Bank. All cancelled Securities held by the Bank shall be destroyed, and evidence of such destruction furnished to the District at such reasonable intervals as it determines subject to applicable rules and regulations of the Securities and Exchange Commission.

Section 4.06. Mutilated, Destroyed, Lost, or Stolen Securities. The District hereby instructs the Bank, subject to the applicable provisions of the Order, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an over issuance.

In case any Security shall be mutilated, or destroyed, lost, or stolen, the Bank, in its discretion, may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such destroyed lost or stolen Security, only after (i) the filing

by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss, or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the District and the Bank harmless. ARTICLE V. THE BANK

Section 5.01. Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof. The Bank is also authorized to transfer funds relating to the closing and final delivery of the Securities in the manner disclosed in the closing memorandum as prepared by the District's financial advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum acknowledged by the financial advisor or the District as the final closing memorandum. The Bank shall not be liable for any losses, costs, or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.02. Transfer of Funds. The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum approved by the District as prepared by the District's financial advisor or other agent.

Section 5.03. Reliance on Documents, Etc. (a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document supplied by District.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

Section 5.04. Recitals of District. The recitals contained herein with respect to the District and in the Securities shall be taken as the statements of the District, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the District, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.05. May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the District with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.06. Money Held by Bank. A special depository account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of money received from the District and held hereunder for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities, to the extent permitted by law, shall be continuously collateralized by securities or obligations which qualify and are eligible under the laws of the State of Texas to secure and be pledged as collateral for deposits of public funds by an instrumentality and political subdivision of the State of Texas to the extent that such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such account shall be made by check drawn on such account unless the owner of such Securities shall, at its own expense and risk, request such other medium of payment.

All funds at any time and from time to time provided to or held by the Bank hereunder shall be deemed, construed, and considered for all purposes as being provided to or held by the Bank in trust. The Bank acknowledges, covenants, and represents that it is acting herein in trust in relation to such funds, and is not accepting, holding, administering, or applying such funds as a banking depository, but solely as a paying agent for and on behalf of the Security thereto. The Holders shall be entitled to the same preferred claim and first lien on the funds so provided as are enjoyed by the beneficiaries of trust funds generally. The funds provided to the Bank hereunder shall not be subject to warrants, drafts or checks drawn by the District and, except as expressly provided herein, shall not be subject to compromise, setoff, or other charge or diminution by the Bank.

The Bank shall be under no liability for interest on any money received by it hereunder.

Subject to the unclaimed property laws of the State of Texas and any provisions in the Resolution to the contrary, any money deposited with the Bank for the payment of the principal, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be paid by the Bank to the District, and the Holder of such Security shall thereafter look only to the District for payment thereof, and all liability of the Bank with respect to such money shall thereupon cease. If the District does not elect, the Bank is directed to report and dispose of the funds in compliance with Title 6 of the Texas Property Code, as amended.

Section 5.07. Indemnification. To the extent permitted by law, the District agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties

hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.08. Interpleader. The District and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the State and County where the administrative offices of the District are located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The District and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

Section 5.09. Depository Trust Company Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements," currently in effect, which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

Section 5.10. Reporting Requirements of Paying Agent/Registrar. To the extent required by the Code and the regulations promulgated and pertaining thereto, it shall be the duty of the Paying Agent/Registrar, on behalf of the District, to report to the owners of the Certificates and the Internal Revenue Service (i) the amount of "reportable payments", if any, subject to backup withholding during each year and the amount of tax withheld, if any, with respect to payments of the Certificates and (ii) the amount of interest or amount treating as interest on the Certificates and required to be included in gross income of the owner thereof.

Section 6.09. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement.

Section 6.10. Termination. This Agreement will terminate (i) on the date of final payment of the principal of and interest on the Securities to the Holders thereof or (ii) may be earlier terminated by either party upon 60 days written notice; provided, however, an early termination of this Agreement by either party shall not be effective until (a) a successor Paying Agent/Registrar has been appointed by the District and such appointment accepted and (b) notice has been given to the Holders of the Securities of the appointment of a successor Paying Agent/Registrar. Furthermore, the Bank and District mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay, or otherwise adversely affect the payment of the Securities.
