**Subject: Support for Proposal 1 – December 2025 Ballot Placement**

Dear IHSA Leadership,

On behalf of [**High School Name**], I am submitting this signed petition to support Proposal 1, which seeks to amend the IHSA Constitution by modifying Articles 1.310, 1.320, 1.340, 1.350, and 1.360.

This proposal recommends the addition of four (4) Chief Executive Officers (Superintendents, Presidents, or Heads of School) to the IHSA Board of Directors, enhancing the Board's capacity to address the growing complexities of high school athletics and activities. We believe this amendment will strengthen IHSA's ability to better serve all member schools and stakeholders across the state.

By signing this petition, [**School Name/District**] formally endorses placing Proposal 1 on the December 2025 ballot for member schools to vote upon.

Sincerely,
