

Red Wing High School Students, Parents and Guardians,

This past Monday, the School Board authorized us to run a distance learning day for grades 9-12 on Wednesday, April 6th, 2022. Our 7th and 8th grade students will be in school that day and will be taking the Minnesota Comprehensive Assessments (MCA's). Since the 7th and 8th grade tests are all day, this structure will allow us to better facilitate the testing and many of the accommodations that go with it.

As our 9-12 students will be out of the building that day and will be working remotely, we are still offering home meals for those who wish to partake in them. **I have attached a document that shares details and a link on how to sign up for these meals.** The expectation for our 9-12 students is that they will attend each class online at its regularly scheduled time according to our Mon-Tues / Thurs-Fri schedule. Our 7th and 8th grade students will attend in person and their schedule for testing is as follows:

|                |                 |
|----------------|-----------------|
| MCA Reading    | 9:00 - 11:30am  |
| Lunch          | 11:30 - 12:30pm |
| MCA Math       | 12:30 - 2:30    |
| 8th grade only |                 |
| MCA Science    | 2:45 - 3:45pm   |

If you have any questions regarding the testing day, please contact our District Testing Coordinator, Ms. Robin Pagel at [rspagel@rwps.org](mailto:rspagel@rwps.org)
