Dear Ms. Oberg:

The [REDACTED] Foundation is pleased to support Project Lead the Way's mission to catalyze a lifelong interest in science, technology, engineering and math. Future generations will require exceptional STEM skills to compete in the global economy and we believe PLTW will play a vital role in making this objective a reality.

We will make a wire transfer for Project Lead the Way this week in the amount of \$192,550. We look forward to learning about the program's progress in the year ahead.

Best regards,
