Retirement Recognition for Gina Steinbrecher

The board and administration are proud to salute Gina Steinbrecher, Assistant Director of Communication and Community Relations. As Gina Steinbrecher prepares to retire at the end of this month, we proudly reflect on her remarkable journey with District 33. With nearly two decades of dedicated service, Gina has made an indelible impact, first as an engaged parent, then as a reading aide, and later as our Assistant Director of Communication and Community Relations.

In her role, Gina quickly became the trusted voice of District 33, recording district-wide calls, including the much-anticipated announcements for emergency learning days. Throughout the challenging times of the COVID-19 pandemic, Gina worked tirelessly to ensure that timely, accurate updates were shared with our community, keeping everyone informed and safe.

Gina's contributions have been instrumental in transforming our communication efforts. She introduced social media to the district, revitalized our branding, enhanced our website, and spearheaded numerous newsletters that streamlined our outreach to families and staff. Her commitment to clear, effective communication has forever changed the way we connect with our community.

Beyond her professional achievements, Gina has built countless meaningful relationships with parents, staff, and community members. Her connection to District 33 runs deep—she raised her children here, with both attending Gary School's dual language program. Even her husband is a familiar face at the local Subway, always ready to chat with any District 33 staff member who walks through the door.

Gina, thank you for your service to our schools and community. As you move on to this exciting new chapter, we extend our deepest gratitude for your unwavering dedication, hard work, and lasting impact on our district. We wish you the best as you move into retirement, filled with joy, relaxation, and the well-deserved time to enjoy all that life has to offer.

You will be missed, but never forgotten!
