RFP #21 - 07 – Post-Secondary Readiness

- **Purpose:** College and Career connection platform that allows students to have two-way interaction with career experts and college advisors for all K- 12 and throughout postsecondary journeys with opportunity to gain internships in High School to gain experience and understanding of where students dream to go. In a collect effort we will offer opportunity knowledge of college, career, and military journey, network, and supports. We will connect the why behind rigorous academic preparedness needed to succeed while promoting and building students agency. The Ector County Independent School District (ECISD) is seeking proposals for Post-Secondary student tracking through K-12 and beyond high school graduation, data collection of student achievement, beyond high school, and intrinsically supporting social and emotional learning. The RFP will be for 2021-2022 & 2022-2023 & 2023-2024 school years.
- **Background Info:** ECISD will partner with Star Tech Group: ACCESS to allow students to experience opportunity knowledge of career, college, and military, support academic preparedness, promote and build student agency K-12 and postsecondary.
- **Premium Renewal Cost:** \$120,000.00
- **Funding Source:** Local Funds
- **Recommended Supplier/Service Provider:** Star Tech Group: ACCESS
