## TO THE SUPERINTENDENT ADDRESSED:

In support of the Texas Advanced Placement/International Baccalaureate (AP/IB) program created by the Texas Legislature in 1993, the Campus Awards for all qualifying campuses have been sent to your district. The purpose of this program as stated in Texas Education Code (TEC) §28.052 is to recognize and reward those students, teachers, and schools that demonstrate success in achieving the state's advanced academic goals.

The Texas AP/IB Incentive program allows the Texas Education Agency (TEA) to award up to \$100 for each student meeting or exceeding criterion on an AP or IB exam as indicated by data reported to TEA by the College Board and International Baccalaureate Organization as of August 1 of the year following the exam administration. For the May 2009 test administration, TEA is able to pay \$46.00 per award.

In compliance with TEC §28.053(b) and (c), each campus principal shall assemble a team of not more than five members that includes at least three teachers, one of whom teaches AP/IB and one of whom teaches pre-AP/IB, to determine how to spend the campus award funds in continued support of their academic program. Please ensure that each campus has access to the transferred funds.
