School Board Mission Statement

Learning in our schools is rooted in the values, history and language of the Iñupiat. Our priority, purpose and responsibility is to partner with families and community to provide high-quality education resulting in students that are...

- Critical and creative thinkers able to adapt in a changing environment and world;
- Active, responsible, contributing members of their communities; and
- Confident, healthy young adults, able to envision, plan and take control of their destiny.

Meade River School Mission Statement

Meade River School challenges learners to become critical and creative thinkers by developing their academic and cultural skills while nurturing their social-emotional wellbeing. We believe this helps our students become respectful, responsible, and cooperative community citizens.
