

**Cameron Middle School
Board Report
December 22, 2025**

Recognition

Thank you to Mr. Jensen, Mr. & Mrs. Halverson for working extra to make sure our Band & Choir performances are wonderful. It is impressive to see the progress our musicians have made.

Thank you to Sarah Glaze and our custodial staff for making Cameron Middle School so joyously festive this year. The kids absolutely love it.

Student Activities

12/3 - CMS Student Council attending 6Four Accord and Reindeer Hill to learn more about local business and starting a business. They also got to pet the reindeer.

12/5 - Several middle school students did Shop with a Cop at our local Farm and Fleet. They were able to buy gifts for their family and have a meal with local law enforcement.

12/8 & 12/15 - Grades 5-12 Choir & Band concerts. Amazing music was put on by the students and it was great to have functioning stage lighting during the program.

12/22 - 6th grade will host an egg-bake in the morning. Students will wrap up the week with our monthly activity, which is a Winter choice day. This will include: ice fishing, bowling, mini-golf, or sledding.

Staff Activities

12/4 - Teachers completed their third of three resiliency sessions with Jon Platson. Thus far staff have found these sessions effective.

12/11 - Principals and counselors attended the Barron County Truancy meeting to discuss attendance topics and continue to work together helping students.

Val Pumala has been completing ongoing training with our OpenSciEd curriculum resources. She is also piloting an AI generated (walled-guarded) assessment tool with a complementary company called EDDO.

Upcoming Events:

12/24 - 1/4/26 - Christmas Vacation – No School for Students

1/7/26 - Stronger Connections Grant Meeting (Chris Crowe, Jolene Severt, Hans Schmidt, Mark Rykal, Cory Martens, Chloe Wanink, Julie Olson, and Sarah Glaze)

1/13/26 - Rural Dental Clinic (cleanings)

1/16/26 - Mid-Term (Grades updated)
