RE: Bad Weather Attendance Waiver for fiscal year 2014-2015

On February 23rd, 24th and March 5th the District experienced severe weather conditions making travel hazardous for students and staff. Therefore, the District elected to close on these days. As required by the State, the District has two bad weather make-up days in the current year's calendar scheduled for April 3rd and June 5th. While two of the three bad weather days will be made up by the District, approval by the Board of Trustees for an attendance waiver is being requested for March 5th. This will allow the District to apply for a bad weather attendance waiver from TEA for March 5th.

Approval of this waiver will ensure limited financial impact to the District due to a missed attendance day and allow payment to all staff for the missed instructional day (March 5, 2015).
