

On Consent Item #11, what is the delivery date to our school district? **As of 7/22/2019 if we approved a PO we could have two special needs buses in stock buses delivered in two weeks.** How long will it take to have these new buses operational? **Three to five days after receipt of the buses for the installation of video and recording devices.**

Although, I believe the replacement system we have in place is needed and effective, can we appropriate this expenditure for approx. \$200,000 in the 2019-2020 budget year? **Yes**

If so, can we bring this item back to a first Board meeting in September 2019? **Yes**
