Starting top left: 7th Grade - Alex Gonzalez  
8th Grade - Evelyn Guerrero  
9th Grade - Lydia Heiderscheidt  
10th Grade - Ava Clark  
11th Grade - Jenesis McGuire  
12th Grade - Bryce Grayson

**2. Student Performance -**

-Some trips and learning sessions that students have been a part of and are so beneficial for our students. CN Literature and AP Euro History went to the Minneapolis Institute of Art and looked at how the history of art and literature coincided with one another. Our enrichment program saw many of our kids get to go curling for the first time in Owatonna; not to mention many of our students went ice skating here in Medford that day as well. Outdoor education went ice fishing and learned many basics to this great Minnesota winter activity. Four of our students went to Luther College in Iowa on a very select choir performance trip. Student council went to Rochester for one of its annual spring SED meetings. Ms. Routh took students to Owatonna for a Made in Owatonna career exploration day. So many great opportunities for our students to explore. Thank you teachers and staff for organizing and taking care of our student experiences.

-Finally, over spring break our music department took many of our band and choir students to Nashville, TN. They took in lots of rich musical history and sites: the Country Music Hall of Fame, RCA Studio B, songwriting with

The Voice runner-up Meghan Linsey, the Ryman Auditorium, music and line dancing at the Wildhorse Saloon, and a concert and backstage tour at the Grand Ole Opry. Lots of fun experiences and opportunities for this great group of student musicians!

-We celebrated National School Social Worker week this past month. Thank you Anna Johanson for everything that she does to help motivate, inspire, and just overall help students.

-Our Level 3/4 Spanish students hooked up with our kindergarten students to help them learn some Spanish. They were able to teach them colors, animals, food and numbers in Spanish!

-Our Medford Travel Program is ramping up and has some great meetings with students and parents. This summer students have the opportunity to go to Puerto Rico and then the next summer to Italy/Greece and Germany/France. Great learning experiences for great costs!

-Congrats to the small engines teams at Medford High School. We placed 1st, 4th and 10th. GO TIGERS!!! 1st Grant Cuevas; 2nd Cole Sunsdahl; 4th Shad Lambert; and 5th Hunter Brauer-Clemens

-Congratulations to all of our winter sports. Kevin Werk will talk about this, but congratulations to our state wrestling place winners. Tommy Elwood - 5th place 126#; Charley Elwood - 1st place 138#; and Tate Hermes 2nd place 16#.

### 3. Site Team Update

*Providing quality education while preparing our students and community for the future.*
