INSTRUCTIONAL PROGRAM CURRICULUM DEVELOPMENT

FEBRUARY 18, 2025

The district curriculum is a carefully planned sequence of instruction, designed to achieve specific learning goals based on State of Michigan standards. It outlines the subjects, skills, and knowledge that students are expected to acquire at each grade level. The District will provide teachers with the necessary time, resources, and professional development opportunities to: conduct curriculum research and evaluation, pilot and implement new instructional strategies and programs, and continuously improve the curriculum based on student needs and best practices, within the allocated budget approved by the Board of Education.
