

Welcome to Ideation!

We started with identifying opportunities (Kibble), Now its time to add some meat!

You voted and identified five "How Might We" opportunities (scroll down to see them below).

This is the part you have been waiting for, where we brainstorm solutions. We are asking for ideas, lots of ideas. Add as many ideas as you want, to as many How Might We's as you want. Please fill out a new form for each idea you submit. Your idea can try to solve a whole problem, or just a part of it. Your idea can be small to big.

Use the links below to get started. You can submit ideas, view and participate in discussions, and collaborate with others.

The 2018 Big Dog Challenge opportunities have been selected by staff members:

- How might we establish better communication between case managers, teachers, and paras?
- How might we provide students with vocational/work experiences within the school?
- How might we better meet the changing needs of our students, staff, and community in relation to our facilities?
- How might we provide opportunities for peer support of reading literacy for special needs students?

Please submit your ideas for these opportunities [here](#)

The following ideas were identified as "Rollout Ready" and will go directly forward to implementation. The administration is working to move these ideas forward this during the months ahead.

- How might we simplify the process for families to access multiple school digital systems.
- How might we reduce food waste?
