

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 6/17/2014

Agenda # _____

Staff/Administrator: David Marshall

Superintendent: Patricia Adams

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

To renew the agreement to the Sodexo Agreement for the Fiscal Year ending 30 June 2015.

Provide history/background information on your proposal.

The District has contracted with Sodexo since at least 2002; in the three times that we have gone out to bid (as required by Oregon statute) Sodexo won the contract handily.
Though the current Sodexo manager is leaving, his replacement appears to be of the same department, high standards, moral character, and professional stature as his predecessor.

List the advantages of your proposal:

While *status quo* is not always a favorable condition, in this case it is. The continuity of superior management standards and techniques is a decided advantage, as is the Sodexo approach to revenue generation and cost savings.

List possible disadvantages of your proposal:

None that I am aware of

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There is no alternative which would provide timely, efficient, and professional management of our district's food service program, employees, and students.

Superintendent's recommendation(s):

Approve: Yes No
