Principal's General Narrative:

Only 45 days of school left in this school year. The month of April will be consumed with review of strategies in preparation for STAAR and then the actual STAAR assessment. Our students seem to be progressing accordingly and I have no doubt they will put forth the necessary effort to demonstrate mastery of TEKS on the STAAR. While the Spring gets busy for our students with extracurricular activities, our focus remains – academics !!!! Thank you for your continued support !!!!

Respectfully,

Alma Gutierrez
