

An excellent education for every student every day.

System for School Success Overview

Alaska's education accountability system, System for School Success, includes each student group individually, creating a holistic vision of a school through two lenses: the performance of all students and that of their student group populations.

The Compass A Guide to Alaska's Public Schools

Alaska recently launched **The Compass**, a website designed to help parents access important data about public schools in Alaska. The Compass features a wealth of meaningful information on schools and districts so that parents and guardians can participate in decisions to improve their student's learning.

How is my school designated for support?

Each year an overall school index value is calculated for each school and a school designation is assigned. There are three school designations for Alaska's schools:

- **Comprehensive Support**
 - **Lowest 5%** - If the overall school index value of a school falls in the lowest 5% of Title I schools, that school receives a designation of Comprehensive Support (Lowest 5%).
 - **Graduation Rate** - If a secondary school has a graduation rate of less than or equal 66.67%, that school receives a designation of Comprehensive Support (Graduation Rate).
 - **Targeted Support (CSI-TSI)** - Schools that are ATSI for the same group three years in a row.
- **Additional Targeted Support (ATSI)** - If a school has any student groups with index values under the Comprehensive Support (lowest 5%) threshold, that school receives this designation .
- **Targeted Support (TSI)** - Schools that have any student groups with index values under the lowest 10% threshold
- **Universal Support** - All other schools are considered Universal Support schools.

Measures Combine into Index Score

Each indicator noted in the table to the left is given a score for the school.

In addition to looking at the whole school, each student group in a school is measured in the areas listed in the table to the left. These scores are combined and the student group is given a score.
