### **Goal 1: The District will strive to provide the best possible educational programs.**

- Homecoming events went off and we were excited to resume many traditions. We have heard many positive things about how our students have conducted themselves during homecoming. Our students did a great job representing LAHS.

### **Goal 2: The District will strive to hire, develop, and maintain the best possible staff.**

- We are currently looking for two paraprofessionals.
- We worked on standards-based learning background in September at our late start. We are looking at unpacking standards on Oct. 11 for the late start along with RtI and homeroom. Next month we will continue standards and train for Rubin and Redefining Ready as part of our connections with the Southeast Service Cooperative.

### **Goal 3: The District will strive to maintain a positive emotional and safe climate for learners and staff.**

- With the implementation of masking, we were able to hold a rainy day assembly for homecoming which was great to see.

### **Goal 4: The District will strive to maintain and improve the district infrastructure.**

- We are receiving many compliments related to the addition of the Hudl cameras indoor and outdoor. Special thank you to our broadcast crews as our play-by-play has been very well received.
