March 29, 2023

Attn: All Bidders
Project: Craig High School Biomass Project
Subject: Notice of Bid Results and Determination of the Low Bidder.

On Friday, March 24, 2023 at 2 pm, Craig City School District received a bid for the Craig High School Biomass Project. A total of one (1) Bid was received. The bid included the required submittal items, acknowledged receipt of all addenda, and appeared to be a responsive bid.

After evaluating the received bid in accordance with the bid requirements, the bid submitted by Dawson Construction for a total bid of \$2,429,31700 was determined to be the lowest bid.

However, Craig City School District's available funding for the project is not sufficient to award the project. Thank you for your interest in the project and especially for all the hard work necessary in preparing a bid for the project.

Sincerely,

Chris Reitan, CCSD Superintendent
