

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: November 13, 2012

TITLE: Approval of Bond-Related Projects

- 3) Approval to Dispose of Surplus Modular Buildings at Holaway Elementary School, Rio Vista Elementary School, Harelson Elementary School, and Cross Middle School**
-

BACKGROUND:

The renovation and new construction at Holaway Elementary, Harelson Elementary, Rio Vista Elementary, and Cross Middle schools require the removal of modular buildings. These modular buildings have sustained significant water damage due to the grade on which they were originally placed. For this reason the Administration recommends to the Governing Board that these buildings be demolished and not offered for sale.

The Administration requests approval from the Governing Board to demolish and dispose of these buildings. With Governing Board approval the Administration will issue competitive contracts for the demolition of these temporary portable buildings.

RECOMMENDATION:

The Administration recommends that the Governing Board approve the demolition of three buildings at Rio Vista Elementary, two buildings at Holaway Elementary, two at Harelson Elementary, and seven at Cross Middle schools.
