From: Carol Tinney, Administrator of Technology

Subject: Discussion of Bid Results for Technology Projects for 2013 Bond

Information Technology, Barton Malow and Plante Moran, would like to present the results of the 2013 technology bond projects bids. The bids for structured cabling, wireless infrastructure, public address system, phone system and sound amplification systems were issued on February 4, 2014, and opened at a public bid opening on February 21, 2014. Barton Malow and Plante Moran will be prepared to present the bid recommendations and will provide the bid documentation to the Board of Education on Monday, March 3, 2014.

Please let me know if you have any questions.
