## **I T E M**

**Subject:** Approve Hill County Extension Office Adjunct Faculty

**Rationale:** Attached is a memorandum and an agreement from the Hill County Extension Office to the District requesting that Angie Nors, Karen Jungman, and Zach Davis be approved as adjunct faculty members. Approval will allow students to participate in 4-H or Extension Office activities as extracurricular events when these persons are supervising the event. This is extremely beneficial to our students and the District for funding as they will not be counted absent when participating in these events.

**Recommendation:** Approve Hill County Extension Office Adjunct Faculty Agreement.
