School Online Auction:

We had a very positive response and a profitable showing with our online auction. We had a net profit of \$43,000.

My sincere thanks and appreciation to Patty Ebner for all the time and effort she put into preparing the items for the online auction. Also, my thanks to the staff at Darr Realty and Auction for their efforts to ensure a successful online auction.

Patty and Darr's were a great combination and I congratulate and thank them for doing an outstanding job with the online auction.

H.S. Math Teacher (as of the start of the 18-19 School Year):

We made our teachers aware of this opening and asked for interested teachers to submit a letter of interest. Joe Hatch provided a letter of interest and was seeking a voluntary transfer to the H.S. Math position. We have accepted and will move forward with a letter of assignment for him as one of our H.S. Math teachers.

We will follow the same process and procedure for Mr. Hatch's MS Math position.
