

Q&A from President Rodriguez
June 17, 2020 Board Meeting

Dr. Puig,

Good evening. Would it be possible to receive the number of graduates from SSHS of the ECHS program this year? How many total entered the program 4 years ago?

We have dual credit MOU's on the agenda and I'd like to know the rate of success.

Last year the board received an invitation to attend the graduation but no such info was shared this year that I recall seeing.

Best Regards,

Gilbert F. Rodriguez
