Senior Advisory 2nd Semester Incentive

Beginning in February, seniors who meet attendance, grade, and discipline requirements will be allowed to leave school after their 7th hour class. This early release incentive will be monitored on a monthly basis, with the previous months' attendance, grades, and discipline determining whether or not a student earns the incentive for the following month. For example, January data will determine whether or not students are allowed to leave in February, February data will impact March, etc. Criteria for determining if a student is eligible for the incentive is listed below.

- Attendance- students must have an attendance rate of 90% or better
- Grades- students must be passing all classes
- Discipline- students may not have any out of school suspensions
