Hi All,

I hope this finds all of you doing well. I've had some discussion with my family about putting my name back up for consideration for the current open board seat. Currently, I feel confident that I can continue in this role with a commitment of the 5-7 hours on average monthly that has been shared in the emails that have gone out regarding the open seat. I know in order to keep a better work/volunteer/home life balance I need to be mindful of time that I share especially outside of my family. I wanted each of you to know where my head/heart is at if I were to continue to serve as a board director. I'm happy to do what I can to further the success of the school.

I want to thank you all for your efforts and leadership. It's been a pleasure to work with each of you.

Best Regards,

Jared Griffin
