

Interlocal Agreement for Fiber Maintenance with Denton County

November 13, 2007

SUMMARY:

- This item requests that the Board consider this ILA with Denton County as an agreement which shares a maintenance contract for the current DISD fiber plant.

PREVIOUS BOARD ACTION:

- No previous Board action has been taken on this item.

BACKGROUND INFORMATION:

- When DISD constructed the current fiber plant across the Denton school district, we collaborated with Denton County to allow DISD to be given Right of Way (ROW) for free in exchange for a space in our conduit which contains DISD fiber. The pipe is a one and one half inch conduit divided in to fourths. DISD fiber is contained in one quadrant of the conduit. The County at their own expense has run fiber in one of the quadrants. We currently have a fiber maintenance contract with Henkles McCoy fiber construction company and passage of this ILA will allow the county to share our costs.
