Re: High School Principal Report August, 2017

Homedale Board of Trustees,

As we close in on the end of the summer we are excited about the start of another new school year here at HHS. Registration has been going good so far as we always have some final adjustments to the Master schedule to accommodate for our students. We have a lot of kids that are utilizing the COSSA class offerings this year which is a pleasant surprise. I am looking forward to meeting with staff next week during the week of the 14th as we prepare for a successful 2017-2018 school year!
