RE: Eagle Scout Project and Donation

Mr. Owen Frausto, a St. Charles resident, approached MVSEC with the proposal to create an outdoor classroom area. Mr. Frausto is a sophomore at St. Francis High School in Wheaton and hoped to use the outdoor classroom as his Eagle Scout project as well as providing an alternate environment for students with special needs. Completed during the summer, 2018, the project was completed and installed September 7, 2018. It is used daily, weather permitting, by the students attending the Mades-Johnstone Center.

We would like to thank Mr. Frausto for his hard work and generosity to MVSEC.
